Chapter 1

Land of Sun and Sand

Mom and Pop and I

went on a trip. This was a
trip to the Land of Sun and
Sand.

"Gosh it is so hot," I
said.

Hot sun is fun but...
I think cold trips are the
best. On cold trips Mom
and Pop let me sled.

We go to the Land of 6
Cold and Frost. In that 11
land, a big hill sits in the 18
cold. I run up that big hill 25

with my red sled. The cold 31

wind nips at my skin. On 37

top of that hill is no man's 44

land: no sand, no crops, no 50

grass, and no sun. It is 56

just cold frost and my red 62

sled. 63

Chapter 2

Land of Cold and Frost

I jump onto my sled and we drop off the hill. My red sled is so fast.

The hill has lots of bumps. I stick to the path with the most bumps so

that I hit the most jumps.

I skip off the bumps so

quickly on my sled.

It is so fun to act as if

my sled is a

ship.

I skip to the edge of
the hill and then sled back
to the jumps.

At last I am back on 6
flat land. Mom and Pop 11
clap and clap. My red sled 17
is fun but a kid has to 24

rest. Mom and Pop bring 29

me back to bed. 33

That is what I do in the 40

Land of Cold and Frost. 45

The Land of Sun and Sand 51

can be fun too...As long as 58

I have my red sled. (p) 63
